

This way
to the
Sausage-fest

GC 11606

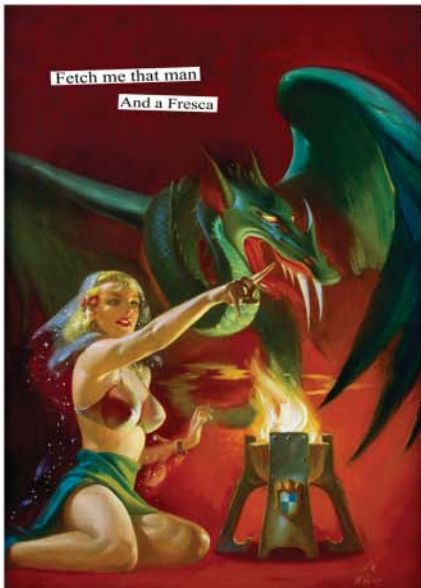

It's been a while
I'm sending a team
after you

GC 11607

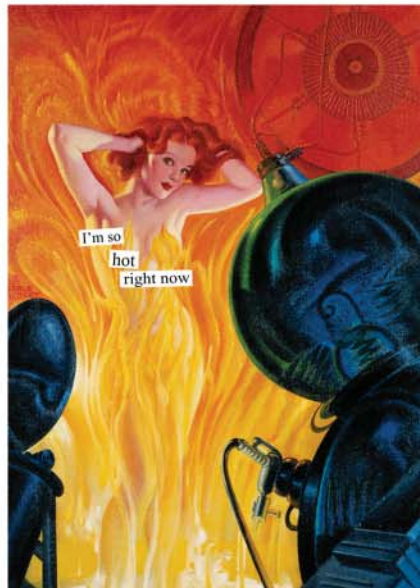

This isn't
quite
what I had
in mind

GC 11608

Fetch me that man
And a Fresca

GC 11609

I'm so
hot
right now

GC 11610

Men might
find you
intimidating

GC 11611

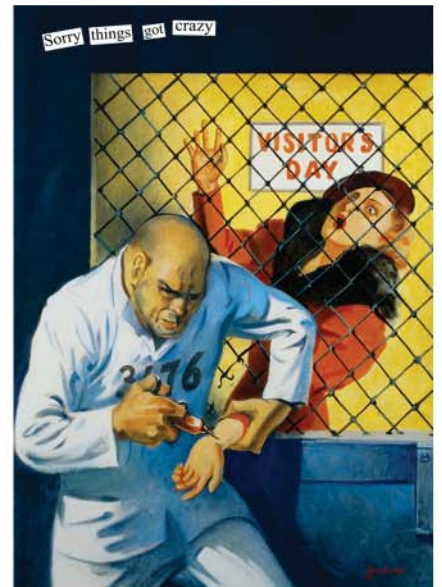

WTF?

GC 11612

Diane regretted
her choice of salons
the moment
her waxing appointment began

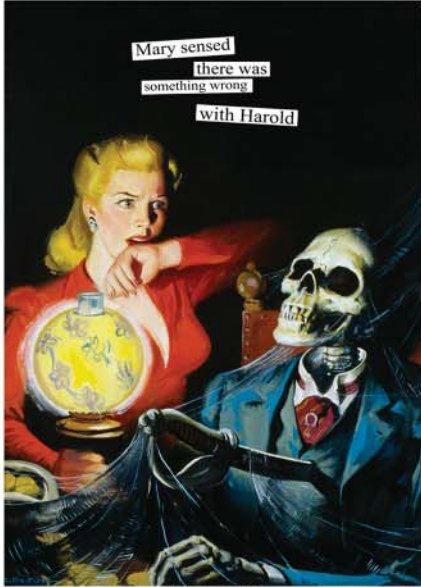

GC 11613

Sorry things got crazy

VISITOR'S
DAY

GC 11614

Mary sensed
there was
something wrong
with Harold

GC 11615

Sorry.
Wrong room.

GC 11616

Sometimes
it just feels like
everyone
is out to get me

GC 11617

He said
he was
the producer

GC 11618

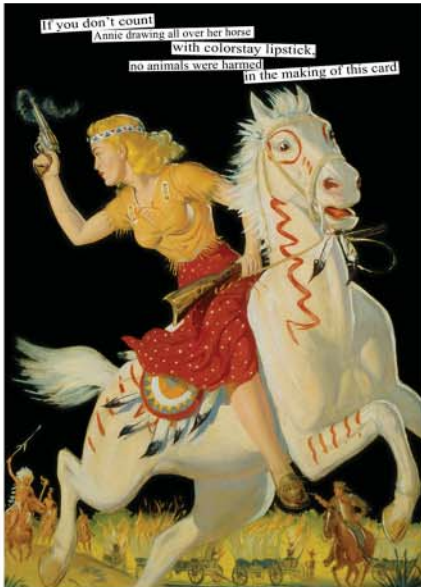

I can explain

GC 11619

I don't understand
why they
fired you either

GC 11656

If you don't count
Annie drawing all over her horse
with colorstay lipstick,
no animals were harmed
in the making of this card

GC 11657

Oh no you didn't
